

## Environmental Statement

Dawn Meats is aware of the effect of its operations on the environment and recognises that environmental management and sustainability practices are an integral part of our business culture. We are committed to conducting our activities with due care and continuous improvement, to achieve and maintain a high standard of sustainable environmental performance.

In order to optimise the environmental impact, of our activities, products and services, we shall:

- Comply with applicable legal and regulatory requirements in relation to environmental standards.
- Prevent pollution, reduce waste and minimise energy, water emissions and the consumption of resources.
- Consider environmental impact in all relevant business strategies and initiatives.
- Develop environmental objectives that align with the Dawn Meats sustainability targets for water, energy, carbon, waste and biodiversity.
- Ensure that protection of the environment is firmly embedded in the company's culture and ways of working.
- Motivate, educate, train and communicate with employees to carry out tasks in an environmentally responsible manner.
- Ensure that professional development remains core to our business.
- Consider the wider global impact of all our activities including those of our suppliers, customers and other stakeholders.
- Encourage our suppliers, customers and third parties to embed good environmental practices in their business strategies.
- Align our ambitions with the UN sustainable development goals.
- Review our targets and progress annually.

This policy will be shared publicly with all staff, contractors and suppliers.
